DHL Supply Chain

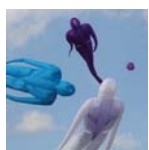

**Ollie** Who's going to Brighton Kite Festival this year? 10th - 11th July 2010. Stanmer Park, Brighton, East Sussex.

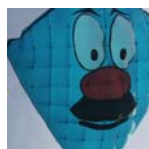

**Teddy** I should be there at Stanmer Park, Brighton, for those with Sat Nav BN1 9PZ is Stanmer House at the back of the Park

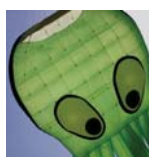

**Cody** I hear there are some great arena displays again this year from 11 am through to 5 pm and all for free.

**Spirits** That's good it will give you that little extra to spend when you visit the kite and food traders.

**Eddy Kite** I have asked some of my family over from New Zealand so they should put on a good display for all to see.

**Ollie** Hi Eddy! Don't forget to let them go to the Children's Kite workshop in the BKF information tent.

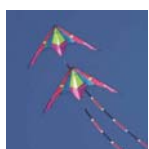

**DHL Supply Chain** We are sponsoring the kite workshop this year so please come along & join in between 1 - 3 pm.

**Brighton Kite Flyers** Thank you DHL without your help and that of Brighton & Hove Council the event could not happen.

**Brighton Kite Flyers** If you want to find more about the festival look at the website [www.brightonkiteflyers.co.uk/festival](http://www.brightonkiteflyers.co.uk/festival)

**Sporty** I hear the best way to get there is by public transport as parking in the park is very limited.

Note that all programmed activities and events are weather dependant, although every effort will be made to keep to the timetable it can change without notice.
